| <p><b>4. Boland Competitions</b></p> <p>2 issues came up from the mixed pairs competitions. Heat was mentioned as some players had to withdraw, due to excessively hot conditions. It was decided that in future only coastal greens will be used during January, February and March, being Yzerfontein, Lagoon, LCE, WCM and possibly Velddrif. Clubs will be informed of this at the representative meeting. RM mentioned that 32 degree C is the cut off point when athletes can no longer perform at their premium.</p> <p>The second issue was points allocated due to forfeited games.</p> <p>LM to approach Boland to add the description and points forfeiture and or gains in all future conditions as well as non smoking rules.</p> <p>LM told him that players phoned him and Annatjie about the draws. He looked at a program that WP, BGN and Sables used. That will mean additional entry fee cost.</p> <p>The club representatives were happy with the draws and praised AR for the good work.</p> | LM           |
| <p><b>5. West Coast Competitions</b></p> <p><b>North vs South:</b> In future the host will decide which green to be used for this competition. The next North/South will be played in August most probably in Vredendal</p> <p><b>West Coast Mixed League:</b> It was agreed to hold back on this in order to allow clubs to have more open days.</p>  |              |
| <p><b>6. Schools- Juniors TL</b></p> <p>Carol Stemmet has transferred all junior players from LCE to Lagoon on the database and they will therefor play as Lagoon members in the Singles competition. Currently 2 very young players and 4 very good junior players. In total the West Coast has 8 very good Junior players. 2 bowls carriers, 4 bowls bags and 1 set of 00H to be purchased for juniors. All bags must be clearly marked as WCBD property.</p> <p>More teachers needed to be involved with junior training.</p>   | TL           |
| <p><b>7. Women and transformation KvR</b></p> <p>The need for greater efforts to achieve transformation of current profiles to include more women and girls as well as players across the racial groups was reiterated once again.. It was noted that in some club's the demographics and geographical areas this remains a problem, especially with travel costs etc. LM informed the meeting that the panel at the presentation on a Case for Sport, was impressed with the current female profile on the WC Exec committee.</p>   |              |
| <p><b>8. Finances KT</b></p> <p>Clubs to be advised to pay Boland fees only on receipt of Invoice.</p>   | ALL<br>CLUBS |
| <p><b>9. Business league and Marketing JR</b></p> <p>A final competition has to be organized, most probably in September. LM suggested the entry fees must be used for prize money.</p> <p>The importance of the business league was discussed by LM and the adding of the names of those players to the database order to rectify our integration imbalance.</p>  | JR           |

| <p><b>10. Shirts: LM</b></p> <p>We need to order more shirts and find a new supplier. The present design will be kept.</p>  | LM        |
| <p><b>11. SA Bowls</b></p> <p>Inter district competitions have been cancelled<br/> Training : green keepers course to go ahead , manuals have been ordered and dates to be decided. These manual cost R300 each and will be provided to course goers.<br/> Coaching: RM awaiting dates in June or July for 14 candidates to attend course at Yzerfontein. Manuals have been purchased from DCAS funding, saving each candidate R450. All level 1 coaches will be provided with a Law book, Introduction to Bowls and Etiquette booklets.<br/> All workers must be added to data base as Employee NA and business league players as Corporate players.</p>   | All Clubs |
| <p><b>12. Coaching</b></p> <p>RM presented the 2 coaching mechanical arms that were purchased for coaching purposes especially players with back, hip or knee problems. These arms will be added to the asset register.</p>   | RM        |
| <p><b>13. Dual Members dilemma</b></p> <p>The non specific description of dual members in the Boland constitution has caused many problems of late in clubs particularly with reference to Boland games. The issue was discussed and the EXCO suggestions for approval as an amendment to WCBD constitution. In due cause WCBD will ask that this clause be added to the new provincial constitution, in order to provide clarity on the issue dual members. LCE felt we needed more clarification as it would favor top players and encourage dual members to abuse the situation. RM read out Yzerfontein response which asked for a motivation for the reason to change and did not agree with the proposed changes as introduced by EXCO to assist small clubs as they felt Boland constitution 5.3.1 is adequate.</p> <p>It was then proposed by RM that in order to assist smaller clubs we suggest a PAIRED CLUB IDEA, and that for <b>Boland games</b> individual <u>affiliated members</u> may approach their <u>paired</u> club affiliated members, if they cannot make up a team in their own club firstly. If there are no affiliated members of the paired club available he/ she may approach dual members in their own club to make a team. Club presidents should be notified in advance at all times.</p> <p>Where <b>Veterans and other League</b> games are concerned , where <u>club selectors</u> cannot make up a team (s) from their club members they may also approach their paired club affiliated members and if that fails their dual members. the following clubs should collaborate in the first instance:</p> <p><u>PAIRED CLUBS:</u><br/> Darling and Yzerfontein,<br/> LCE and Lagoon<br/> Porterville and Moorreesburg<br/> Velddrif and Piketberg<br/> Langebaan weg and WKM<br/> Clanwilliam, Vredendal and Lutzville</p> <p><b>Clubs should discuss this proposal and provide feedback to Exco LM via their Presidents asap.</b></p> | ALL CLUBS |
